

Wayne County Schools COVID Case Procedure and Tracking

The West Virginia Department of Education collaborated with the West Virginia Department of Health & Human Resources to develop guidance for all counties on how to respond to positive cases in West Virginia schools.

Each time there is a confirmed positive case in a Wayne County Schools, we will notify the impacted classroom or group.

To increase transparency, we will also be posting the following information: school of confirmed positive individual, date of confirmed positive notification, and number of confirmed active positive cases at school. This page will be updated on a regular basis.

Wayne County Schools works with the local Wayne County Health Department in the handling of each positive case.
